Project description:

The overall objective of the project was to promote cross-border cooperation through modernization of social infrastructure in the area of sports in Pravets and Pirot, in line with the idea of sustainable development of sports for people of all ages and social groups. During project implementation the following results were achieved:

- An athletic track was constructed in Pravets;
- Outdoor sports pitches were constructed in Pirot;
- A common strategic document for enhancement of physical education and sport was developed;
- An extensive media and publicity campaign was implemented in order to promote the project goals and achievements.

The project was successfully completed in June 2013.
