Project partners:

- **Lead partner:** Municipality of Dimovo, Bulgaria
- **Project partner 2:** Municipality of Majdanpek, Serbia

Budget: 49 789,47 Euro
Project duration: 18 months

Project description:

The project aimed to elaborate technical documentation for infrastructure of protected areas of caves: Venec in Bulgaria and Rajko's Cave in Serbia as a base for reconstruction and modernization as natural attractions in region. Technical documentation for both caves, necessary for tourism investments in public infrastructure was properly developed and a variety of promotional materials were prepared and distributed to the target groups. In addition, a partnership memorandum between the two municipalities was signed in relation to the potential future cooperation and potential implementation of the infrastructure plans elaborated within this project.

The project was successfully completed in July 2013.
