3. Minutes

The tender opening session was based on the register of tenders received, which was prepared using the information on the envelopes. Each tender envelope had been given a sequential number by the Contracting Authority upon receipt.

The Chairperson and Secretary completed the attached Summary of tenders received during the tender opening session. Only tenders contained in envelopes received by the deadline for submission of tenders were opened.

All members of the Evaluation Committee (and observers) signed Declarations of Impartiality and Confidentiality, which are attached to this report. The tender envelope number was marked on all copies of the tenders. The Chairperson and the Secretary initialled the front page of each original document and all the pages of the original financial offer.

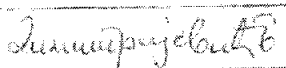

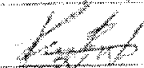

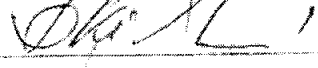

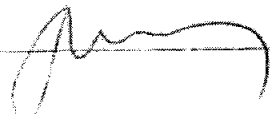

4. Conclusion

The following tenders were considered to be suitable for further evaluation:

Tender envelope number	Tenderer name	Financial offer (€)	Discount conditions (as stated in item 4 of the tender submission form)
1	Echo R&D spa	90.000,00	No discount
2	Unit Export Ltd	66.542,00	No discount

Upon checking the Tender Submission form for both tenderers it has been noted that both bids exceed the amount of the Contract value proposed by the project budget. For that reason, the Evaluation Committee has decided not to continue with further evaluation.
