

Bulgaria-Serbia IPA Cross-Border Programme
CCI Number 2007CB16IPO006

Project number: 2007CB16IPO006-2011-2-139
Project name: ENERPLAN: PLATFORM FOR ENERGY PLANNING
Project partners:
▪ **Lead partner:** Viva Pautalia Association, Bulgaria
▪ **Project partner 2:** Municipality of Kostinbrod, Bulgaria
▪ **Project partner 3:** Municipality of Dimitrovgrad, Serbia

Budget: 136 703,79 €
Project duration: 12 months

Project description:

The project envisioned and achieved the following results:

- 29 innovative practices in the energy planning and energy efficiency field for municipalities and households were identified and promoted in both municipalities;
- 2 pilot, cross-border public monitoring systems for energy consumption were established at municipal level;
- The energy demand, supply and potential for improvement of the local energy mix in Kostinbrod and Dimitrovgrad were mapped and visualized through the ENERPLAN Platform;
- 1 bilingual, online-based platform for sustainable local energy planning was designed and developed: www.enerplan.info
- 2 Energy Managers (one from each country) were trained;
- 64 local stakeholders – representatives of institutions and other interested parties were acquainted in details with the project outcomes and trained on how to operate the ENERPLAN platform at the organized within the project workshops;
- 2 information and awareness-raising campaigns were conducted, increasing the level of awareness among local inhabitants with 5 %;
- Energy Efficiency Audit was implemented in 3 municipal buildings, altogether 7096 m².

The project was successfully completed in April 2014.

**The Programme is co-funded by the
European Union.**
