- **Lead partner:** Faculty of Management Zajecar, Serbia
- **Project partner 2:** Vidin District Administration, Bulgaria
- **Project partner 3:** Regional Development Agency Eastern Serbia – RARIS, Serbia

Budget: 151 828,40 €
Project duration: 12 months

Project description:

The project envisioned and achieved the following results:

- Knowledge base with of 3 sub-data bases established. Knowledge base consists of 302 collected and presented data (such as government studies, special and environment plans, profiles of experts, research studies, etc.): <http://www.raris.org/bazaznanja/>
- Informal cooperation network established. The project organised 8 Cross border forums with 211 participants in the sectors of infrastructure, agriculture, environment and tourism. Forums supported use and application of the knowledge, experience and documents collected in this project in selected sectors, in concrete daily work of institutions and companies. The participants signed a memorandum of cooperation;
- Data base multi-user Centre set up in order to allow setting up date bases and maintaining and hosting Project web page with a data bases. Data base multi-user Centre is based in Faculty for Management which will maintain Knowledge base and WEB portal after the end of the Project;
- 4 press conferences were held and 6 publications were published in the press;
- Project Final conference organised and project results presented to wider public.

The project was successfully completed in January 2014.

The Programme is co-funded by the
European Union.
