

**Bulgaria-Serbia IPA Cross-Border Programme**  
**CCI Number 2007CB16IPO006**

**Project number:** 2007CB16IPO006-2011-2-89  
**Project name:** INNOVATION AND REHABILITATION OF WATER SUPPLY SYSTEMS  
MUNICIPALITIES DIMOVO AND MAJDANPEK

**Project partners:**  
▪ **Lead partner:** Municipality of Dimovo, Bulgaria  
▪ **Project partner 2:** Municipality of Majdanpek, Serbia

**Budget:** 580 441,64 €  
**Project duration:** 15 months

**Project description:**

The project envisioned and achieved the following results:

- Trained 5 workers of PUC Donji Milanovac - Water Factory (Municipality of Majdanpek) to work with specialized monitoring and analysis of water supply network;
- Development of a program for water management and environmental protection in the two partner communities and 5 trained employees;
- Replaced 3314m of water supply pipelines in the village Oreshets, representing 30% of its water supply network;
- A new System for monitoring, surveillance, remote control and measurement of water flow in the water-supply system has been installed in Donji Milanovac (Municipality of Majdanpek) allowing for accurate identification and measurement of water losses;
- Decreased soil erosion in two communities for average 35%.

The project was successfully completed in July 2014.

The Programme is co-funded by the  
European Union.
