

**Bulgaria-Serbia IPA Cross-Border Programme
CCI Number 2007CB16IPO006**

Project number: 2007CB16IPO006-2011-2-192
Project name: WASTE MANAGEMENT SYSTEMS - SHARED EXPERIENCE AND GOOD PRACTICES IN BG-SR CROSS-BORDER REGION

Project partners:
 ▪ **Lead partner:** Public communal enterprise Mediana Nis, Serbia
 ▪ **Project partner 2:** Pernik Municipality, Bulgaria

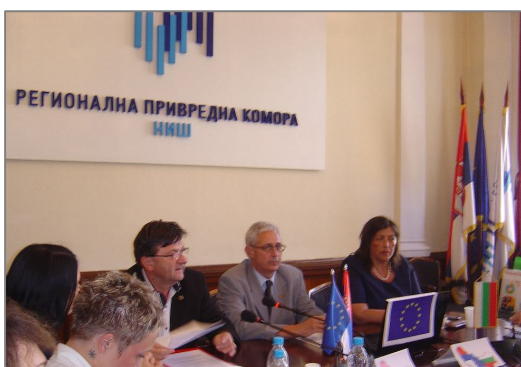

Budget: 570 404,63 €
Project duration: 23 months

Project description:

The project envisioned and achieved the following results:

- Analysis of Waste Collection and Transportation Services in Mediana and Pernik Municipalities;
- Organization of training sessions for Management staff of Mediana, staff of institutions, public and private companies dealing with waste management and recycling. Seminars have been supported by production of reports on the realized analysis and specific training tools, produced by the external experts according to the identified needs;
- Realization of monitoring survey on production and waste composition of municipal waste; Analysis of variables able to influence a project for selected waste collection; Development of project proposals for starting of pilot projects on recycling experiments in Nis and Pernik;
- Providing of Assets and Protective Equipment for PCE Mediana (Garbage truck for municipal waste collection, 138.000 plastic bags for municipal waste collection and transferring of special waste, 18.300 plastic containers (120 litre) for selective waste purchased and distributed;
- Production and Distribution of Informative/Educative Material for Sustainable Management of Urban Waste.

The project was successfully completed in April 2015.

The Programme is co-funded by the European Union.
